The online documentation is lacking, but the man pages are better. The man page for the "function" command lists built-in events.

Brett — Oct 16, 2019 11:01 am

You are correct, thanks! For posterity, there's no man page for function, but rather function -h.

evanrelf — Oct 16, 2019 01:50 pm

That's weird, running man function works for me, and opens the same text from function -h in my MANPAGER

Brett — Oct 17, 2019 10:30 am

Interesting ...
