How well does the Artifact blade stay in place? Obviously, it would be bad news if that thing opened while it was in your pocket. I'm assuming that's a problem you haven't had?

## **Brett — Dec 14, 2012 11:09 pm**

It's quite a sturdy hinge and has a pressure safety on it. I've never had it open once after over a year of carrying it in my pocket daily.
