It looks like the tweet logging currently logs retweets without attributing the original poster, so it looks like the tweets were mine.

Would you consider posting this on Github so we can open pull requests with patches?

Brett — Aug 13, 2012 06:15 pm

Not in its current form, no. As I've said multiple times here in the comments, this is undergoing a major refactoring and the any time put into the current codebase would be a waste.
