Can't access network to make phone calls. Keeps telling recorded messages about SPRINT asking to use credit cards as payment to use services.

## **ImjcCIB2 — Jun 09, 2021 08:12 pm**

I have same problem. haven't been able to make 1 call in over a month. Qlink states my 10 month old phone I bought from them is no longer compatible but they won't send me a free replacement. Told I must buy one or bring one. Crappy Company.
