This is extremely nit-picky but I think the menu items are a little too far apart in the menu bar. Really cool tool tho!

Brett — Mar 12, 2020 09:14 am

I'm not sure how it happened, but a margin got applied to the top level menu labels that shouldn't have been there. Good eye, pushed an update (that also fixes the checkmarks not turning white when item is hovered, while we're nitpicking :)).
